Agnes Vari

AGIE'S TUNE was created for the love of my life. I wrote this song for Agi during her last days. She liked me to play my guitar and sing to her while she laid in bed. One day I came up with this melody and sang it to her, she would close her eyes and smile every time she heard it. Agi passed away from cancer on June 1st, 2010.

This one's for you Baby!
